LOOKING FOR HOST FAMILIES

A group of 18 Indonesian people aged between 21-25, will be visiting the Fleurieu region for almost three weeks as part of the Australia-Indonesia Youth Exchange Program (AIYEP). The program, funded by the Department of Foreign Affairs and Trade through the Australia-Indonesia Institute (AII), aims to provide wider opportunities for young people of Indonesia and Australia to appreciate the culture, development and way of life of each other’s country. Homestays on the Fleurieu will commence on Friday 25th November through to Wednesday 14th December. During their regional visit on the Fleurieu, our visitors will have work experience placements Mondays to Thursdays while on Fridays they will be delivering cultural performances at selected local schools.

Host families will gain an insight into the culture, customs and attitudes of our nearest neighbour while also making a significant contribution to relationship between Australia and Indonesia. They will be expected to provide accommodation, meals and transport for the participant they are hosting. For families who host an AIYEP exchange participant, there is a subsidy of $780 (approx. $260 per week). For anyone interested in hosting an Indonesian person in their home, please contact Sharon Mann at the school on 85521166 or via email Sharon.Mann868@schools.sa.edu.au.

KISS AND DROP/PICKUP

REMEMBER: Kiss and drop is just that! Please do not stop and wait there. If your child is not there and waiting, please go around the block. We have had many instances of traffic not moving along and this creates safety issues at the pedestrian crossing, both with students trying to cross and cars lining up past Gum and Field Avenues.

Thank you for your consideration.
Dear SFOSHC families,

re: transition of VOSHC, POSHC and GOSHC to outsourcing provider, Camp Australia.

Over the last eight months we have been working through the process of outsourcing the operation of Southern Fleurieu Out of School Hours Care (SFOSHC) with the Department for Education and Child Development (DECD) and representatives of the Governing Councils of Port Elliot and Goolwa Primary Schools. We have assessed responses to our request for quotation to provide quality OSHC services at all three SFOSHC sites, namely Victor Harbor OSHC (VOSHC), Port Elliot OSHC (POSHC) and Goolwa OSHC (GOSHC). Our request went to four profit and two not-for-profit OSHC providers on the DECD approved panel. We received four responses that we scored according to DECD’s protocols.

Camp Australia were chosen on merit through this process. Camp Australia are a national organisation that have been operating for 28 years and run more than 500 OSHC sites across Australia. They have excellent policies, procedures and programs in place that make us confident that they will deliver excellent services. For more information see www.campaustralia.com.au.

Camp Australia will begin operating before school, after school and vacation care OSHC services at Victor Harbor R7, Port Elliot Primary and Goolwa Primary Schools on **Monday, 19th December 2016.** This is the first day of Vacation Care. Camp Australia will be in touch with OSHC families in the next few weeks to discuss transition.

Camp Australia will preferentially employ our current staff, where suitable positions are available, to retain local understanding and experience and continuity of care for our kids. We are hoping that this will mean that most staff will have a seamless transition to the new management arrangements.

It is important to understand that Camp Australia will work closely with the Principals at the three schools and that the three Governing Councils will retain control over the operations of OSHC services via the current OSHC Steering Committee, which includes our Principals, Victor Harbor R-7’s Finance Officer, Governing Council representatives and parent representatives, being one parent whose child/children attends (or intends to utilise) each site: Victor Harbor, Port Elliot and Goolwa.

I would also like to take this opportunity to thank all our term and vacation staff for the great work that is done every day at SFOSHC and for your patience in working through this transition process. Please do not hesitate to contact me if you have any questions or comments via the school office.

Kind regards
