

Hats

Our school community (through Governing Council) supports the policy which requires students to wear wide brimmed or protective hats terms 1 and 4.

Teachers are responsible for the daily checking of hats. Students without Sunsafe hats remain in shaded areas not past the gym. Class teachers will initially follow up with students, then parents. The leadership team will provide intervention when alerted to regular non compliance any time any term, **No hats will be worn indoors.**

We do not 'lend' hats from lost property to students- only named hats are returned.

At Victor Harbor R-7 School all students are expected to wear the school dress code... this includes excursions and school photos.

OUR DRESS CODE

Purpose

To ensure the safety of students

(So we can easily identify our students on School grounds and in the Community)

To promote a sense of identity.

To support families by reducing peer/ media pressure to wear certain items.

To develop and maintain a high standard of appearance.

Without appropriate dress code students may not be able to take part in excursions or may find play areas restricted. This especially applies to the oval where we need to quickly identify students.

Clothing That Is **NOT** Suitable

Hoodies, jackets and windcheaters that are patterned extensively, fur trimmed or are not in dress code colours

Midriff, sleeveless or tank tops

Low cut jeans and micro-shorts

Black pants
