## Footsteps Dance Program

During the last five weeks of term 2 all of the R-7 classes participated in a special dance program run by the Footsteps dance company. This extra program was part of our Arts in the Australian Curriculum focus for 2015. Each class had 4 X 50 minute sessions with Claudia and learnt a variety of dance styles from 'retro' to 'hip hop'.

On the last day of term we concluded our program with a Footsteps showcase of dance. In front of parents and peers the students had the opportunity to display and share their Footsteps experience. At the conclusion of the performance Claudia organised a disco for all students during lunchtime to celebrate the end of the program. The dance program was a great chance for students to be active, creative and gain some confidence in the learning area of The Arts. Elizabeth Eland
