Government of South Australia
Department for Education

Dear parents / carers

We have received the following update from the Department for Education:

While we have been supporting parent choice during this pandemic, we now expect all public school students who are well and not considered vulnerable to COVID-19 to attend school or preschool.

Students are required to attend school unless they are:

- *Feeling unwell*
- *Have a chronic medical condition or compromised immune system and are not able to attend school on advice from their medical practitioner*
- *Live in a household with others that are deemed vulnerable to COVID-19 and are not able to attend school on advice of their medical practitioner*
- *Have been diagnosed with COVID-19 or have been required to self-isolate by SA Health.*

We will continue to provide support, as we would usually do for students not able to attend school on advice from their medical practitioner.

Please contact us at school if you require support for your child to attend.

Thanks

Brenton Robins
