

The **U** is in our **U**nit

Have you ever wondered...

It really is bizarre

Why Victor's Harbor has no **U**

Between the 'o' and 'r'?

Sydney, Coffs and Darling Harbours

Have one in their name

It's missing from our seaside town

Why's it not the same?

The answer is quite simple,

And not too far away;

The **U** is in our **U**nit,

It's with **us** every day

It's in our **U**nderstanding

The ways we are **U**nique

How we can **U**mmunicate

Without the need to speak

The **U** is in our **U**nit

Our actions and our **U** thoughts

Unlimited potential

Unwavering support

Expect the **U**nexpected

Juggle things **U**nplanned

A caring and compassionate

United team we stand

That **U** is in our **U**nit,

It's part of **U** and me

What an **U**tterly amazing

And **special place to be**
